A Proposal for Membership must be accompanied by an informational letter by the Applicant to the Membership Committee addressing how you learned of the club, why you would like to join, and any other information about yourself, or family, that you think would be helpful to the Committee. In addition, the Membership Committee requires a proposing letter from a current member of the club. A seconding letter from a current member of the club may also be included, but is not required. Proposing and seconding letters may speak to your interest in joining the club, as well as other relevant personal and family information, including other clubs, organizations, or activities. Please give the name of Proposer below.

Please note: A member may propose up to three new memberships in a season. Proposers must know the candidate or family well.

Proposer (required): _____

Completed Proposals, including (i) Applicant's informational letter and (ii) letter from the Proposer, should be sent to:
